

# ORIENTATION

---

New students will be assigned a Success Navigator to assist them through the enrollment process. Success Navigators will provide information on our orientation programs that are held before each semester or available online and are designed to introduce students to success strategies, college personnel, registration procedures, facilities, and requirements for their academic program.

Orientation information will be provided to students after their acceptance to the College. Students will be guided to their preferred option for orientation by their Success Navigator.

Transfer and Transient students are not required to attend an orientation but are encouraged to do so. They must meet individually with a Success Navigator, however, prior to their first registration.
