

PHYSICAL THERAPIST ASSISTANT

Andrea Liles, PT, DPT, **Chair**

Phone: (419) 993-7420
 Email: liles.a@rhodesstate.edu
 Office: TL 102G

Physical Therapist Assistants (PTAs) are skilled technical health personnel who provide physical therapy services under the direction and supervision of a physical therapist. PTAs work as part of a team to implement selected components of patient interventions (treatment), obtain data related to the interventions provided, and make modifications in selected interventions either to progress the patient as directed by the physical therapist or to ensure patient safety and comfort. PTAs assist the physical therapist in the treatment of individuals of all ages, from newborns to the geriatric population, who have medical problems or other health-related conditions that limit their abilities to move and perform functional activities in their daily lives.

The Associate Degree program at Rhodes State College provides the student with an excellent physical therapist assistant education encouraging personal and professional growth. In the PTA program the student will take part in challenging classroom, laboratory, and clinical experiences to gain the knowledge necessary to function as an integral, critical thinking member of a rehabilitation team. The curriculum is a combination of general education, applied physical therapy sciences, technical skills, and clinical education courses. The clinical component provides students with supervised clinical learning experiences in a variety of settings with exposure to different patient populations.

After successful completion of both the didactic and clinical components of the PTA curriculum and attainment of the Associate of Applied Science degree from Rhodes State College, students seeking licensure as a PTA must submit an application to register for the National Physical Therapy Examination (NPTE) for PTAs administered by the Federation of State Boards of Physical Therapy (FSBPT). Additionally, the student must submit a separate application to the licensing authority of the jurisdiction (state) in which the applicant is seeking licensure. In the state of Ohio, the Occupational Therapy, Physical Therapy, and Athletic Trainers Board is the jurisdiction licensing authority. The state of Ohio requires licensure to practice physical therapy. Licensure enables the PTA to seek employment as a part of a dynamic health care team in a variety of health care settings such as hospitals, nursing homes, rehabilitation centers, sports medicine clinics, and outpatient treatment centers.

Program Mission Statement

The Rhodes State College Physical Therapist Assistant Program prepares students to be competent, professional physical therapist assistants.

Program Learning Outcomes

Upon completion of the PTA program, the student will be able to:

1. Demonstrate professionalism.
2. Exemplify appropriate interpersonal skills.
3. Perform safe, effective technical/procedural skills.
4. Employ effective business operational skills.

Notice to Prospective or Current Physical Therapist Assistant Students

You are at risk if you have been convicted of a prior felony and/or some misdemeanors. You may not be able to participate in clinical education experiences at some hospitals or other clinical sites, therefore preventing you from completing the program. A criminal record may also prevent you from obtaining a license or certificate in your chosen healthcare profession.

Technical Standards

See here for details.

Tech Prep Partner

“C” grade policy

- A minimum 2.0 GPA is required for graduation.
- A grade of “C” or higher must be achieved in all courses carrying the specific program prefix such as DHY, EMS, MAT, NSG, OTA, PNS, PTA, RAD, RES and SRG.
- All programs and certificates require a grade of “C” (2.0) or better in required science courses and in required basic/related health science (BHS) courses as well as in selected general education and basic/related science courses (see program requirements).

All of the following required coursework needs to have been completed within five years of matriculation into a Health Sciences program or certificate. The five year limit may be waived by the Program Chair or Coordinator if the applicant is currently working in a healthcare field.

Code	Title	Hours
BIO 1000	Basic Human Structure and Function	3
BIO 1110	Anatomy and Physiology I	4
BIO 1120	Anatomy and Physiology II	4
BIO 1400	Microbiology	4
BHS 1390	Medical Terminology	2
BHS 2110	Growth and Development: Lifespan	2
CHM 1120	Introductory Organic and Biochemistry	4
DTN 1220	Principles of Nutrition	2
NSG 1721	Pharmacology for Nursing	2

Criminal Background Checks and Drug Screening

To meet the expanding requirements of our clinical affiliates, both a criminal background check and a drug screen will be mandatory prior to clinical experiences for most students within the Division of Health Sciences and Public Service. Some program exceptions may apply. **You are at risk if you have been convicted of a prior felony and/or some misdemeanors. Students with certain felony, misdemeanor, or drug-related convictions will be ineligible for admission into clinical experiences. A criminal record may also prevent you from obtaining a license or certificate in your chosen healthcare profession or to obtain employment post-graduation.** Students admitted to a program containing off-campus clinical/practicum experiences will be required to submit to drug screening. Positive drug screenings may result in dismissal from all clinical courses. Any student who refuses/fails to cooperate or complete any required drug screening will be considered “positive” and dismissed from the clinical component of their program. All students requiring drug

screening may be subject to random drug screens and for cause during the program.

Recommended High School Coursework

Students are encouraged to complete college prep classes in high school. Although not required, the courses provide a better understanding of college-level work. Recommended college prep courses include:

English: 4 units

Math: 4 units

Natural Science: 3 units

Social Science: 3 units

Health Insurance

The Division of Health Sciences and Public Service is committed to protecting students, faculty, and patients from infectious diseases during clinical practice and taking every reasonable precaution to provide a safe educational and work environment. All new students entering the health-related programs will be informed of the risks of blood-borne and other infectious diseases. Students with a high risk of infectious diseases should be aware of their own health status and risk of exposure to other students, employees, or patients involved in the clinical environment. All students are required to provide their own health insurance coverage for the duration of their program and be able to provide proof of insurance if requested.

Physical Therapist Assistant Associate of Applied Science Degree

First Year

Pre-requisite Semester		Hours
BHS 1150	Applied Functional Anatomy	4
BIO 1110	Anatomy and Physiology I	4
COM 1110	English Composition	3
MTH 1260	Statistics	3
SDE 1010	First Year Experience	1
Term Hours		15

Spring

BIO 1120	Anatomy and Physiology II	4
PTA 1010	Fundamentals of PTA Practice	3
PTA 1200	Therapeutic Exercise for the PTA	4
PTA 1220	Clinical Kinesiology for the PTA	4
Term Hours		15

Summer

COM 2213	Verbal Judo	3
PTA 1400	Physical Agents for the PTA	3
PTA 1500	Professional Topics in PTA	1
SOC 1010	Sociology	3
Term Hours		10

Second Year

Fall

PSY 2150	Lifespan Psychology	3
PTA 2010	PTA Seminar I ^{*first 5 weeks}	1
PTA 2020	Clinical Application I ^{*first 5 weeks}	2
PTA 2100	Physical Therapy for the Medically Complex Patient	4
PTA 2120	Functional Neurorehabilitation	4
Term Hours		14

Spring

PTA 2200	Clinical Application II	3
PTA 2201	Clinical Application III	4
PTA 2250 	Capstone Course for the PTA	2
Term Hours		9

Total Hours **63**

Program Qualification Requirements: completion of pre-requisite semester with "C" or better in all courses.

*Courses in program are sequential. All PTA courses and Anatomy and Physiology II require a "C" or better for program continuation.

 Capstone Course

Prerequisites:

Students should check course prerequisites before registering. Prerequisites are listed in the Course Tab.

The Physical Therapist Assistant (PTA) program is a limited enrollment program. The program allows enrollment of thirty (30) qualified students each spring semester. If more than thirty are qualified, students will be

ranked by date of qualification. Remaining students will be placed on a waitlist for the next spring semester.

PTA Program Eligibility Requirements:

1. Completion of all pre-requisite courses with the required grade of "C" or better:

- BHS-1150 (Applied Functional Anatomy)
- BIO-1110 (Anatomy and Physiology I)
- COM-1110 (English Composition)
- MTH-1260 (Statistics)
- SDE-1010 (First Year Experience)

NOTE: BIO-1110 must be successfully completed within 5 years and BHS-1150 within 2 years of entry into the program. This requirement may be waived by the program coordinator with submission of proof of employment in a health care field.

2. Students must schedule a meeting with a PTA program faculty member or Program Coordinator for a personalized program advising session, which will include establishment of a personalized academic plan for program completion.

3. Completion of 20 hours of observation in two (2) different clinical settings - ten (10) hours each in two different settings (one inpatient such as hospital or skilled nursing facility and one outpatient facility), using the verification forms provided in the PTA Program Information Packet on the program webpage.

4. Conduct an interview with a licensed Physical Therapist (PT) or Physical Therapist Assistant (PTA) using the guided Interview provided in the PTA Program Information Packet on the program webpage.

5. The student must be at least 18 years of age by the start of the first clinical experience (fall semester of the second year of the PTA program).

This PTA Program at Rhodes State College is accredited by the:

Commission on Accreditation in Physical Therapy Education (CAPTE)
 3030 Potomac Ave., Suite 100
 Alexandria, Virginia 22305-3085
 telephone: (703) 706-3245
 email: accreditation@apta.org
 website: www.capteonline.org

If needing to contact the program/institution directly, please call the Program Coordinator at 419-993-7420 or via email aa.liles.a@RhodesState.edu.
