

TRANSFER DEGREES

Rhodes State College Transfer Degrees

Rhodes State College's Associate of Arts and Associate of Science degrees are designed to enable 100% transfer and application of course materials towards a Bachelor's degree, allowing students who complete them to enter into the college and major of their choice at a junior standing. In selecting courses for this degree, students are highly encouraged to consult the specific transfer curriculum pages in the College catalog, the faculty advisor, and the institution to which they intend to transfer in order to determine if it is an appropriate choice.
