

ORIENTATION

New students will be assigned a Success Navigator to assist them through the enrollment process. Success Navigators will provide information on our orientation programs that are held before each semester and are designed to introduce students to success strategies, college personnel, registration procedures, facilities, and requirements for their academic program.

Orientation information will be mailed to students after their acceptance to the College. Specific dates and times of orientation sessions will be posted on the Rhodes State website, and students should register for their preferred orientation date via the website or by calling the Office of Adult and Traditional Enrollment at (419) 995-8320.

Transfer students are not required to attend an orientation but are encouraged to do so. They must meet individually with a Success Navigator, however, prior to their first registration.
