

# ECONOMICS (ECN)

---

## **ECN 1410 – Macro Economics**

### **3 Credit hours**

Provides students who will take only one course in economics a thorough treatment of the essential concepts of practical economics and a solid working vocabulary of economic terms so that the student may develop the ability to apply problem-solving methods to economic matters in his or her daily life.

**Transfer:** TAG.

## **ECN 1430 – Micro Economics**

### **3 Credit hours**

Examines: theories of consumer behavior, determination of input and output prices and quantities, analysis of international trade and policy, and applications including labor markets and income distribution.

**Transfer:** TAG.
