The CPA (Certified Public Accountant) Exam Eligibility Certificate is intended for individuals who possess a bachelor's, master's, or doctoral degree in an area other than accounting and want to qualify under Ohio law to sit for the CPA exam. In order to be eligible to sit for the CPA examination in the state of Ohio, a candidate must have 120 semester credits including 30 semester accounting credits and 24 semester business credits. This Certificate meets the accounting credit requirements under Ohio law to sit for the CPA exam. Individuals can work directly with the Program Coordinator on a specialized plan of study if they also need the 24 Business Credits.

Program Learning Outcomes

Upon completion, the student will be able to:

1. Present reliable and relevant information to financial statement users based on Generally Accepted Accounting Principles.
2. Prepare basic individual and sole proprietorship tax returns.
3. Utilize appropriate measures to track business performance.
4. Describe the steps in planning and completing an audit.
