The Forensic Mental Health certificate is designed to explore the dynamics of mental health as it relates to individuals involved in the criminal justice system. This certificate is an enhancement for students who are interested in the field of human services/social work within the realm of criminal justice. This certificate provides an advantage of knowledge to criminal justice or helping professionals who are looking to get a better understanding and influence of mental health by an individual's involvement in the criminal justice system.

The certificate focuses on areas including mental health/substance abuse diagnoses, ethical behavior whether in criminal justice or human services, the examination of race in the criminal justice system, crisis interventions, criminal behavior, and the psychology of the legal system.
