The Nurse Assistant Certificate (STNA) is completed in one semester and provides the student with the knowledge and skills necessary to provide basic care to patients. Course content is based on the current Standards and Guidelines from the Ohio Department of Health. The course includes a lecture, a laboratory, and a 16-hour clinical component. Students are required to submit health and immunizations records prior to starting the clinical experience. All students who successfully complete this course are eligible to take the State Tested Nurses Aide Certification credential examination.
